DETAILED ACTION

Claims 1-45 are pending in this application.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 1/15/04 was filed on the same mailing date of the application. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Reason for allowance

Claims 1-45 are allowed.

The following is an examiner's statements of reason for allowance:

Set of claims 1-16: None of the references of record teaches or suggests the claimed limitations having a method of making annular magnetic memory cells comprising the steps of forming from the hard layer at least one pillar, depositing a ferromagnetic material about the pillar, forming an annular data layer from the ferromagnetic material about the pillar, and among other limitations cited in independent claim 1.

Set of claims 17-45: None of the references of record teaches or suggests the claimed limitations having a method of making annular magnetic memory cells comprising the steps of forming at least one pillar, forming at least one annular wall about each pillar, the annular wall about the pillar defining a substantially annular slot,
